

# PASTA CLASS

Call for all pasta lovers! Let's get cooking as our chef Francesco will show you the secrets of making authentic Italian pasta & sauce from scratch, starting from 15th February onwards

Choose from *(or join both!)*:

## 1) PASTA 101

New to pasta but wanna impress your friends? Then, let chef Francesco be your guide. Learn how to make both fresh and dried pasta such as fettuccine, tagliatelle, and ravioli and some of our signature dishes.

## 2) SAY, CHEESE!

It's all about cheese and pasta here! Chef Francesco shows you how to make the classic carbonara just like how it's done in Rome, and of course, our all-time favourite dish - Four Cheese Tortelloni.
